

ZigBee Controller  
(Standard)

## FEATURE

- ◆ Wireless communication by using ZigBee
- ◆ Easy to install and easy to disassemble
- ◆ Easy to exchange battery pack
- ◆ Minimized weight for measuring machine(45kg)
- ◆ Long operating time because of Lithium Polymer Battery
- ◆ Possible to exactly measuring because of built-in horizontality sensor

MODEL	TGS-1T
Capacity	1,000kg
Division	1kg
Accuracy	0.2%
Product dimensions (W x L x H)	510 x 120 x 123 (mm) x 2EA
Product weight	45kg
Battery	Lithium polymer battery (3.7V, 4000mA)
Operating time	100hr
Temperature range	-10℃ ~ 40℃
Frequency	2.4 GHz
Output	Max. 4dBm
Communication distance	100m (Open Space)
Parts	Battery pack 2EA, Charging adaptor 1EA
Charging adaptor	DC 5V, 1A
